

# Test Notes for History Exam

## Chapter 1.

### 1.1

Genesis is the first book of the Bible. It is the most reliable source for information about the beginning of world history.

-Genesis means beginning or origin.

-Adam's name means *man*.

-Eve's name means "*mother of all*".

-Humans were the last creations of God.

-*Man is special to God because he alone is created in the image of God.*

-Man is not **not** a God.

-Man's special characteristics include:

(1) language and thought

(2) awareness of the difference between right and wrong

(3) freedom to make choices.

### 1.2

Evolution is the false story that man was not created directly by God but instead evolved from animals.

-Man differs from animals in that man possess language and thought.

-Human thought requires language.

-Genesis does not have the problems of evolution.

-Humanism is putting man in place of or above God.

-Cain killed his brother Abel.

-A **culture** is *the way of life of a group of people*.

-*The most important part of a culture is how people relate to God.*

-Adam and Eve had another son named Seth.

-*Cain's way or culture tends to be stronger among men.*

### 1.3

God Himself established the law of **capital punishment** (the death penalty) for murder and ordained that man set up systems of law and justice for the restraint of evil.

Noah had **three sons**: *Shem, Ham, and Japheth*. The survivors of the Flood and their descendants gradually migrated southeastward from the mountains in which the ark had come to rest and settled in a plain called Shinar, also known as Sumer.

A nation is a *large group of people who think of themselves as one and act in history as a unit.*

## Chapter 2.

### 2.1

Dispersion is *the scattering of people over the earth.*

Abraham, the *father of the Nation of Israel.* Fertile Crescent is known *because of its ability to grow crops and because its shape resembles a crescent moon.* Two great rivers: **Tigris and the Euphrates.**

The Sumerians were a **Hamitic** people.

-The Akkadian king **Sargon** the Great conquered the Sumerians. The Akkadians ruled Sumer for 200 years.

-The Sumerians are the first people in world history to use the wheel. Our system of time also comes from the Sumerians.

-*Sumerians appear to have been the first people after the Flood to have used writing.*

-Wedge-shaped writing is called **cuneiform.**

### 2.2

The Sumerians were polytheists worshippers of many gods. Abraham was a monotheist worshipper of one God. The Sumerians were **humanists**, for they had made men into gods.

**Anu**, the god of the sky.

-**Ziggurats:** *towers built in tiers or stages, each stage smaller than the one beneath, all atop a large mound of clay or debris.*

-**Nanna**, the moon god

-King **Ur-Nammu** of Ur

-

### 2.3

The city of **Babylon** became the center of a new **empire** (*rule by one city or people over other cities or peoples*).

-**Hammurabi** came to the throne of Babylon. In just thirty-one years, this extraordinary leader conquered the surrounding kingdoms and *united all of Mesopotamia under his rule.*

-A **bureaucracy** is *an organized group of people appointed by a ruler to help him govern.*

-Hammurabi was a deceitful ruler.

-Hammurabi had almost 300 laws carved.

-**Laws** are *rules people follow in living together.*

-He wisely saw the necessity of **promulgation**, *making the laws known.*

-Hammurabi also failed to recognize the importance for **equality under the law**, which

means that *all people who commit the same crime should be punished in the same way*.

-**Inanna** renamed **Ishtar**.

## 2.4

Canaan was *the center of the ancient world*.

-The patriarchs are Abraham, Isaac, and Jacob.

-A nation-state is *a nation or a people living in its own land with its own government*.

-The Canaanites consisted of many peoples such as the **Amorites, Hittites, Kenites, Jebusites, and others**. *Canaan had no single center of political or military power*.

-**Baal** was *the chief god of the Canaanites*.

## Down to Egypt: Chapter 3

### 3.1.

Ham's son is **Mizraim**.

-The Greek historian **Herodotus**.

-He marveled at the huge tombs called **pyramids** and the mysterious **sphinxes** ( large stone statues with the heads of men, rams, or hawks and the bodies of lions.)

He also saw the **hieroglyphics** ( sacred carvings ), the strange writings of the Egyptians.

-**Joseph** became the chief assistant to an Egyptian king when he interpreted the king's dreams.

-**The Rosetta Stone** was uncovered in A.D. 1799. The French scholar **Jean Francis Champollion** worked for fourteen years until he had solved the riddle of the Rosetta Stone.

### 3.2

The Nile River is the longest in the world.

-The Nile Delta is *one of the most fertile areas in the world*.

-From the **papyrus** plants that grew along the river banks, the Egyptians made boats, baskets, boxes, mats, sandals, and furniture, as well as paper.

-Rapids called cataracts in the south prevented the Nile from being used to invade Egypt.

### 3.3

Egyptian kings are called **Pharaohs**.

The Egyptians' belief in an afterlife also led them to preserve bodies through a process known as **mummification**.

### 3.4

Early Egypt was divided into two main parts: **Lower Egypt and Upper Egypt**.

-Both parts were divided into what the Greeks later called **nomes**.

-**Menes** united the two kingdoms and became *the first pharaoh of all Egypt*. He had the city of **Memphis** built as his capital near where the Lower and Upper Egypt met.

-Beginning with Menes, Egypt was ruled by a series of **dynasties** ( families within which the right to be passed from one member to another ).

-Egyptian history is divided into three parts: the **Old Kingdom**, the **Middle Kingdom**, and the **New Kingdom**.

-Egypt ceased to be a major world power after about 1000 B.C.

-The earliest tombs the pharaohs had built for themselves were simple brick structures called **mastabas** with flat tops and sloping sides.

-The three most famous pyramids were built in the area of **Giza**. The first and largest pyramid, called the **Great Pyramid**, was built for the pharaoh **Khufu** ( also known as Cheops ).

-The second largest pyramid at Giza was built for the pharaoh **Khafre**. The **Great Sphinx**, a gigantic statue carved in limestone, with a 13-foot-wide human face in the likeness of a pharaoh—possibly Khafre.

-**Mortuary temples**

-**Hatshepsut**, a female pharaoh.

-**Tribute**: a payment from one nation to another.

-Under **Thutmose III**, *the Egyptian Empire reached its greatest extent*—to the Euphrates River in the north and deep into Africa in the south. This territory was held for 150 years, making it the strongest power in the world.

-Pharaoh's chief assistant: vizier.

-Ruling class: *nobles and priests*

-Middle Class: *craftsmen, scribes, and soldiers*

-Egypt was one huge bureaucracy.

-Lower Class: Farmers and Slaves

## Chapter 4

### 4.1

God and Israel made a **covenant** ( solemn agreement ) at **Mount Sinai**.

-God became the King of Israel.

-theocracy: rule by God

-The true principles of morality are the basic rules of right and wrong, good and evil.

-The first ten of God's laws, known as the **Ten Commandments** or the **Decalogue**, briefly state the principles of morality.

### 4.3

Murex is a kind of sea snail from which the Phoenicians learned to make dye. In the mountain forests to the east, fir and **cedar trees** grew.

-The capital city of the Hittites is **Hattusas**.

## Chapter 5.

The **Assyrians** were named for Shem's son **Asshur**.

-The Assyrians drive to build a world empire began in the 700s B.C. under **Tiglath-pileser III**.

O Assyrian, the rod of mine anger, and the staff in their hand is mine indignation. I will send him against an hypocritical nation, and against the people of my wrath will I give him a charge, to take the spoil, and to take the prey, and to tread them down like the mire of the streets.

**Shalmaneser V** *deported the ten tribes of the Northern Kingdom* of Israel.

-**Ashurbanipal**, the last great Assyrian king, collected a library of about 100,000 cuneiform clay tablets.

-**King Nabopolassar** formed an alliance with the Medes and the Scythians who overthrew the Assyrians.

-Chaldeans established the **Second/New Babylonian Empire**.

Nabonidus is the son of Nebuchadnezzar.

Royal Road
